### Interested in Volunteering?

If so, please tick the projects that appeal to you on the form attached. Full training and support will be given to all volunteers. In the previous year, volunteers have assisted in guiding, painting, planting, landscaping, and a range of other projects. Their assistance has been invaluable.

### About the Otorohanga Zoological Society

The Otorohanga Zoological Society (OZS) is a not-for-profit organization that governs the Otorohanga Kiwi House and Native Bird Park. We work to conserve NZ native species through our breeding and public education programmes. An elected committee, representing over 200 members, employs skilled staff and makes policy decisions for the collection and organization of the Otorohanga Kiwi House and Native Bird Park. If you have any questions about your membership or would like to discuss volunteering, please contact the Otorohanga Kiwi House Manager directly (Phone: 07 873 7391)

Yours sincerely,

OZS Membership Coordinator

**Please return the Membership Application Form with your payment.**

(Your application will then be forwarded to the OZS Management Committee for approval).
